Our brand reflects who we are. Our uniform reflects how we show up.

For the 2026-2027 school year, St. Mark is simplifying our uniform guidelines to bring clearer, more consistent expectations for every student and family.

Warm-weather uniform options are available from the first day of school through an announced date in the fall, and again in the spring through the end of the school year. Students who prefer the standard uniform may wear it at any time.

All families have one year to transition to the updated uniform guidelines. Rising 8th-grade students are exempt from the new skirt requirements for the 2026-2027 school year and may continue wearing existing uniforms provided they meet current fit standards.

We are grateful for your partnership and look forward to a great year ahead.
